

WE HAVE FACE SHIELDS

Protect your employees with this reusable 3D printed Personal Protective Equipment (PPE)

We have already donated 1,000+ face shields to healthcare facilities!

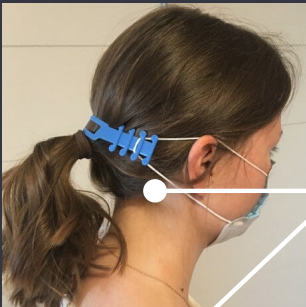

Help our community combat the spread of COVID-19 by using recommended PPE. Our face shields can help protect the eyes, nose, and mouth.

Anti-Fog Applied to 8.5" Shield

Air Vent Design

Elastic Strap to fit

Printed Face Mask Buckle

Wearing face masks for long periods of time can become uncomfortable on the ears. With our printed face mask buckles, you can relieve the tension on your ears from your face mask.

\$7 Per Face Shield

\$2 Per Mask Buckle
