

Spirit of Sharing

We help provide assistance to the families of the Men and Women serving in the United States military, while either one or both parents are deployed overseas during the holiday season. We are a **100%** volunteer based and our efforts are funded solely by donations from the community.

SOS has no overhead so **100%** of your donation goes to help the families of our Service Members.

Your donations are **100%** tax deductible and no amount is too small.

Please visit our website spiritofsharing.org and click on the "Donations" tab to help us support our local military community.

OR Mail your check or money order to us at:

3355 Mission Avenue #111, Oceanside, CA 92058
