Become a Sponsor

Each May, on Armed Forces Day, the Oceanside Chamber of Commerce, the City of Oceanside, the Armed Services YMCA and the North County Times brings the Oceanside Business Community and area residents together to provide a day of recognition to the Marines and Sailors and their families based on Marine Corps Base Camp Pendleton.

Live entertainment will be featured at the amphitheater all day long. A free full catered meal, served by local military and political dignitaries, will be given to our military and families and there is also food available for purchase to the public.

The day consists of a host of activities including a great children's fun zone with mechanical rides, a rock wall, inflatable jumps, kid's crafts and face painting. The children's area will also have characters like Baby Shamu and the Padres Pad Squad for kids to meet and take their pictures with.

The beach will be loaded with military land and amphibious displays, including the LCAC, for people to explore and learn about. All Active Duty Military and their dependents must bring an Active Duty Military ID Card to get unlimited rides, activities, and a free lunch.

The City of Oceanside is neighbor to Camp Pendleton, the largest United States Marine Corps base in the world. Home to the First Marine Expeditionary Force, as well as numerous support units, Camp Pendleton is home to more than 35,000 Marines, Sailors and their families. Units from 1MEF were the 1st American military forces to land in Kandahar following September 11, 2001. They also were one of the lead elements in Operation Iraqi Freedom. We need to recognize the contributions these Marines, Sailors and their families have made to our country. They have endured long separations and hardships to protect our freedoms. This is a perfect opportunity to say, "Thank You."

For the past seven years, Oceanside Chamber of Commerce, North County Times, City of Oceanside and the Armed Services YMCA at Camp Pendleton have joined forces to produce Operation Appreciation. This year will be our Eighth annual event, bringing the business community and city together to honor and appreciate all of the men and women in our armed forces and their families. The day is filled with fun, food and festivities.

Your support is needed to make sure these brave men and women and their families know just how much our community appreciates them.
