

Helping Elect Business-Friendly Candidates for Oceanside **Pro-Business is Pro-Community**

The quality of life in our community is directly impacted by the quality of individuals leading our City. That is why the Oceanside Chamber of Commerce plans to actively endorse and fund local candidates with a strong vision and demonstrated strategies for creating a prosperous community.

OUR GOAL: The goal of our endorsement process is to support candidates that share the core values of the Chamber, including the support of free enterprise, a streamlined and predictable regulatory system and an overall environment in which business can thrive.

NOTE: It is important to note that Chamber membership funds or general funds ARE NOT used for contributions to candidates. Advance Oceanside Political Action Committee (AOPAC) will undertake fundraising campaigns in order to provide financial support to candidates.

HOW YOU CAN HELP: It is critical that we back up our candidate endorsements with financial support in order to help our candidates successfully cross the finish line. Your contribution will help us build a broad base of support and show that AOPAC has a wide diversity of supporters. Can we count on your support?
