Autumn Roose

Home Loan Consultant

NMLS #765656

Autumn Roose began her career in the mortgage industry in 2002 as a Jr. Loan Processor. In 2004, she began originating loans, and since then, has helped countless customers obtain financing for their new home purchase or refinancing of their current mortgage.

Her many years in the mortgage industry have taught Autumn the importance of helping people realize their dream of homeownership, as well as the importance of giving excellent, personalized service. She understands that just as no two individuals are the same, no two loans are the same. She views each loan as an exciting new experience, and is committed to being there for her clients every step of the way.

Autumn has extensive product knowledge and experience in purchases as well as refinances, including First-Time Homebuyer, VA, Jumbo, and vacation home loans. In addition, she regularly hosts educational seminars to help first-time homebuyers and veterans learn the ins and outs of the home buying process.

To learn how she can help with your mortgage needs, contact Autumn directly at [619.323.6826](tel:619.323.6826) or ARoose@frontwavecu.com.
