

PATH TO PRO

You've Been Thinking About Your Future. The Home Depot Is Too.

The Home Depot Is Proud To Invest In The Skilled Trades

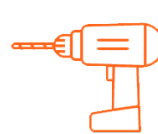

There will be over 3.5 million jobs available in home improvement related trades in the next decade. That means you have unprecedented opportunities to land a rewarding, in-demand career and competitive salary.

Start your career on the right path with The Home Depot's FREE training program. Upon completion of the Path to Pro Skills Program, graduates can create a profile on the Path to Pro Network that provides potential employers access to qualifications.

Program Benefits

- Free, virtual self-paced and instructor led training
- Discover construction industry career options
- Gain experience in basics such as jobsite safety, tools, team building and communication skills

High Demand Trades

Carpentry

Electrical

HVAC

Plumbing

and Many More Trades

Classes Offered Weekly
