

# Student of the Month Program

The Oceanside Chamber's Rising Star Program aims to champion students that have overcome significant challenges in their life, but have managed to keep, or get back on track, with their education. The Chamber will honor one high school senior each month from each of our area high schools at a breakfast event. At the end of the school year, our goal is to give scholarships to several students from each of our participating high schools.

## Sponsorship Opportunities
